Fax: 645-0705  
E-mail:  
shunte@chrc-caribbean.org

Or

The registration form is  
available online at  
[www.chrc-caribbean.org](http://www.chrc-caribbean.org)

**Registration Fee -  
\$200.00 US**

#### **Objectives:**

At the end of this workshop participants should be able to:

1. Develop and refine a research question
2. Identify specific and measurable objectives for their study that are linked to the research question
3. Select the most suitable study design to answer their research question and
4. Select appropriate participants, measurements and analyses that are consistent with the objectives and design.

*The workshop will be delivered through a series of didactic lectures and group exercises.*

*At the conclusion of the workshop participants are expected to draft the outline of a research proposal on a topic elected from the Caribbean Health Research Agenda.*
