

Heads of Government Meeting Dominica 11-12 March 2010

Detailed plans to create the Caribbean Public Health Agency (CARPHA) were approved by the CARICOM Heads of Government in Dominica this month. The new organization can now begin to recruit an implementation team and its interim Director.

Partners meeting: 14-15 June 2010, Washington DC

CARPHA will hold its partners meeting in Washington this June to discuss funding and technical assistance. Register your interest email oreillyn@cpc.paho.org.

Progress Report

A **FAQs** section has been added to the CARPHA website for our stakeholders. www.carpha.org

Vacancies for the CARPHA implementation team and Interim director will be advertised by CARICOM and will be made available on www.capha.org from April onwards.
